

THE BILL SWAP

SWITCH YOUR MOBILE. UPGRADE YOUR BILL.

Move your phone service to CoverageX Mobile. Keep the number you have, or pick a new one. And turn a bill you're already paying into more than just phone service.

KEEP YOUR NUMBER, OR PICK A NEW ONE.

Port your current number yourself, right online — no phone call, nobody to talk to. Or start with a brand-new number. Your choice.

DEFINITION

WHAT'S A BILL SWAP?

IN ONE SENTENCE

A Bill Swap is simply switching your current mobile service to CoverageX Mobile — so the money you're already spending can do more.

That's the whole idea. You're not signing up for an extra bill. You're moving the one you already pay to a company that gives you more for it.
